

Fall into harvest

September 22-24, 2023

THIS LIMITED-EDITION PEWTER ORNAMENT carefully crafted by Aitkens Pewter depicts Riverview's beloved gazebo, dressed up to sparkle for the holiday season. All proceeds from sales will benefit Riverview P.R.O. Kids — a beautiful gift for your friends, family and neighbours. Purchase online at www.townofriverview.ca/prokids or in person at the Parks and Recreation administrative office while quantities last.

Each year, hundreds of Riverview kids are unable to participate in registered sport, arts, cultural and recreational activities because the registration fees, equipment and transportation costs are beyond the reach of many families. Riverview Positive Recreation Opportunities (PRO) for Kids is all about getting children off the sidelines and providing equitable access to recreational activities. Winter applications are accepted during the month of November only. Learn more at townofriverview.ca/prokids or contact Ash Arrowsmith, Community Recreation Coordinator, (506) 387-2051.
